

Key Stage One

End of Key Stage test results

We can compare the percentage of children attaining at each level

	Level 2+ (%)		Level 3+ (%)	
	School	National	School	National
Reading	85	90	23	31
Writing	77	86	12	16
Mathematics	92	92	19	24

The government also compare Average Points Score (APS) and use the APS data to look for trends over the last few years. A blue highlight means that the result is “significantly below” the national picture.

Closing the gap

The government want to “close the gap” in attainment between children who receive free school meals (FSM) and those who do not (NFSM) so they publish data on this gap and how it is closing.

	Reading		Writing		Maths	
	School	National	School	National	School	National
