

**Week ending 13th
September 2019**

This week:

Reception Class have been learning to recite in order the numbers to 20

Year One have been finding 1 more and 1 less than numbers between 1 and 10. In English, we have been describing our lost toys

Year Two have found a basket of clues in our classroom and written letters to them

Year Three this week we read 'into the forest' and writing about a boy who is lost, in science we began our topics on rocks. Everyone really enjoyed swimming and tried very hard

Year Four are still working hard on our alternative tale. In maths we have been rounding numbers

Year Five have been rounding 4 digit numbers to the nearest 100 and 1000

Year Six have been writing exciting setting descriptions on a Viking battle scene
